April 5: Watercolor Greeting Cards

April 12: Monochromatic landscapes

Using watercolor, we will use one color + black to create a multiple toned monochromatic landscape. Whether its a mountain range or a city scape, people are able to choose the landscapes they want to paint!

April 19: Zentangles

Sitting back and relaxing with zentangles! Getting lost in a meditative zentangle allows us to explore a new way of art making without having to worry about being perfect. Materials: ink, pencil, sharpie & markers

April 26: Textured gelli prints

Using a gel plate, we will be making textured prints! This is a simplified form of printmaking. Gel print plates and ink will be provided. This class will be heavy on instruction & following multiple steps.
